WEST COAST LIVIN'

RawHyde Adventures is kicking its motorcycle training and tour schedule back into gear this summer and extending it through 2020. Beginning on September 7-12, 2020, RawHyde will host its "Best of the West: Road to Riches" 6-day tour. Participants will visit Wild West ghost towns, the Loneliest Road in America and hit some of the best back-country riding in Colorado, Nevada and California. A BMW GS rental from RawHyde's fleet is factored into the cost of the tour. **Call (661) 993-942 or visit RawHyde-OffRoad.com**

CONTINENTAL'S 60-DAY SATISFACTION GUARANTEE

When it comes to consumable parts such as tires, it's rare to see money-back guarantees, but Continental Tire is offering just that for its latest V-twin/Cruiser option, the ContiTour. Those in need of new rubber for their touring machines can give a pair of ContiTours a whirl with no strings attached. If they aren't to your liking, you can return them for a full refund as long as they're returned within 60 days of purchase or within 2/32-inch of tread use. **See your participating dealer or visit contitourguarantee.com**

STAYING COOL

The Boot Scoop is a device designed to channel air up the rider's legs as the motorcycle is in motion. The 5- x 4-inch plastic conduit features an integrated clip that the rider fastens to his/her lower pant cuff, allowing air to travel through the Scoop's 1-inch wide opening duct and up the pant legs. The Boot Scoop is especially effective when clipped onto the inner pant leg cuff, though to be truly useful the rider needs to point his/her legs toward the front of the motorcycle, as with highway pegs or forward controls. Made in USA. MSRP \$19.95 each. **Visit thebootscoop.com**

PACKING IT AWAY
