

Jim Halvorsen

InVision Shield
\$15
invisioninserts.com
 An inexpensive insert that delivers flawless, clear, fog-free protection with simple installation. One size fits (almost) all anti-fog film, but they offer special fitment for Arai.

Powertyes 1.5-inch Fat Strap Trailer Kit

\$85 powertyes.com
 When you must haul a motorcycle instead of riding it, these are some of the best tie-downs. 6,000-pound-test nylon webbing, rubber-coated hooks and sheepskin sleeves protect paint and chrome.

Admore Light Bar Smart Brake
\$200 admorelighting.com

A well-engineered piece of electronic wizardry with outstanding customer service. Sequential yellow signals and white strobe incorporated into in accelerometer-activated brake light.

David Hilgendorf

MCN
\$35 MCNews.com/holiday
 This is your favorite magazine about your favorite sport, spread the love! Performance testing, expert contributors, riding strategies and valuable mechanical advice.

Moshe K. Levy

MotoPowerPuck Wireless Charger
\$65 motopowerpuck.com

Hardwired for wirelessly-charged Qi smartphones, it won't wiggle loose and is water resistant. The tiny puck easily mounts on a RAM X-Grip using included double-sided tape and outputs 5V/1A.

Skully Fenix AR 1
\$1,900
skullytechnologies.com

This crowdfunded project had a rocky start, but it's finally available, for the well-funded. Lightweight, voice-controlled helmet with HUD, navigation, rear-view camera, Bluetooth smartphone and music.

Clearwater Andie II Flashlight
\$120 clearwaterlights.com

Rugged and puts out an insane 1,000 lumens for 1.5 hours or 500 lumens for 3 hours. CNC machined aluminum, 6.25", 7.5 oz., water resistant. Includes two batteries, AC and DC chargers included.

Remote Garage Door Opener Kit
\$140 harley-davidson.com

Operate automatic garage door opener with the bike's high-beam switch. Compatible with most garage openers, taps into bike's wiring harness, disabled when key is off. Other brands are also available.

Sidi Aria Boots
\$250 sidi.com/en

These comfy three-quarter boots will last 100,000 miles, with breathable and waterproof Gore-Tex. Robust construction, with double-stitching, encapsulated heel and toe, padded shin plate and YKK zippers.
